To the President
of the Association of Polish Architects
Mariusz Ścisło

Dear Mr. Mariusz Ścisło,

Public Association "Belarusian Union of Architects" conducts XI National Festival of Architecture "Minsk 2015" dedicated to the 80th anniversary of the PA "BSA" in Minsk (Belarus) from September 3, 2015 to September 5, 2015.

In the framework of this architect forum the following events will be held: XVII Republic contest for the best architect work of 2014-2015, VI Minsk International Biennale of Young Architects "Leonardo 2015 Award", IX Republic contest of the graduation projects of the highest and secondary architect schools of the Republic of Belarus, IV Republic contest of the children's art "Architecture of the motherland by eyes of children", exhibition of the investment projects, goods, technologies and services of the foreign and domestic companies of the construction market of Belarus, exhibitions of the national unions of architects of CIS, neighboring and abroad countries, lead architects master-classes and a number of other events.

We kindly propose to provide works of the Association of Polish Architects for exposing at the XI National Festival of Architecture "Minsk 2015".

Exhibition will be held in an open area of the historical center of the city of Minsk – the Upper Town. The materials for making of the print layouts and printing the posters must be submitted in JPEG or TIFF format (sketch-board 1400 (h) x 900 cm, resolution of 250 dpi or higher) until **July 31, 2015**.

Model of the sketch-board must consider mounting conditions: along the perimeter of the poster a white line of 30 mm widths for the eyelets (metal clips of 10mm diameter) installation should be placed. Adjustments of the exhibition composition of sketch-board are possible on the preliminary agreement.

Poster printing is performed on the self-adhesive film with further lamination and knurling onto the sketch-board (PVC plastic of 5 mm thickness). Printing price is 25 EUR per 1 m². Payment for printing of exhibition materials should be made until **June 30, 2015**. The exhibition must consist of maximum 30 sketch-boards, including title poster.

You can also print the materials in accordance with the above requirements on your own and provide Belarusian Union of Architects with the sketch-boards until August 20, 2015.
